Maidame Chair~~man~~ and members  
of the committee, my name is Jack  
Stenswick and I live in Malta, Montana.

I am a consumer of North Central  
Independent Living and a member  
of the People First Chapter in Malta.  
Please fund the governor's budget for  
disability services so other people  
can experience and receive independent  
living services which have helped  
me become a self advocate who  
wants to continue to learn.

Thank you members of the committee  
for your support and taking time to hear us
